AMBER FORT JAIPUR

MEHRAN GARH FORT JODHPUR

CHAIRMAN CBIC

Message

CBIC has taken a number of trade facilitation measures and initiatives towards improving ease of doing business across borders such as SWIFT, eSanchit, Turant, rolling out of Express Cargo Clearance System, Faceless assessment, etc. The result is evident as India now stands at 63, among 190 countries, as per the World Bank's report on the Ease of Doing Business (EODB), Doing Business 2020. Further, United Nation's Global Survey on Digital and Sustainable Trade Facilitation report released on 14th July, 2021, shows a remarkable improvement in India's ranking on Digital and Sustainable Trade Facilitation with a swing in score from 78.49 % in 2019 to 90.32 % in 2021.

I am happy to note that Commissionerate of Customs (Preventive), Jodhpur has compiled this Year Book on the work performed by it during the year 2020-21. The publication of Year Book would serve as a useful record of performance as well as help in introspection. This effort by the Commissionerate is praiseworthy, especially in the light of challenges posed by the ongoing Covid-19 pandemic.

I appreciate the officers of the Commissionerate for their initiative in showcasing not only the work of the formation but also for highlighting the impressive architecture and craftsmanship of Rajasthan. I am happy to note that the Commissionerate has done well on most Key Result Areas. I congratulate the officers for their achievements. I am sure the Commissionerate would continue to perform well in future also.

CBIC**

Message

I am happy to learn that Commissionerate of Customs (Preventive), Jodhpur is publishing its Year Book for the first time ever. Year Book not only informs various stakeholders and public at large about the work done by the Commissionerate but also gives an opportunity to formation for introspection and improvement.

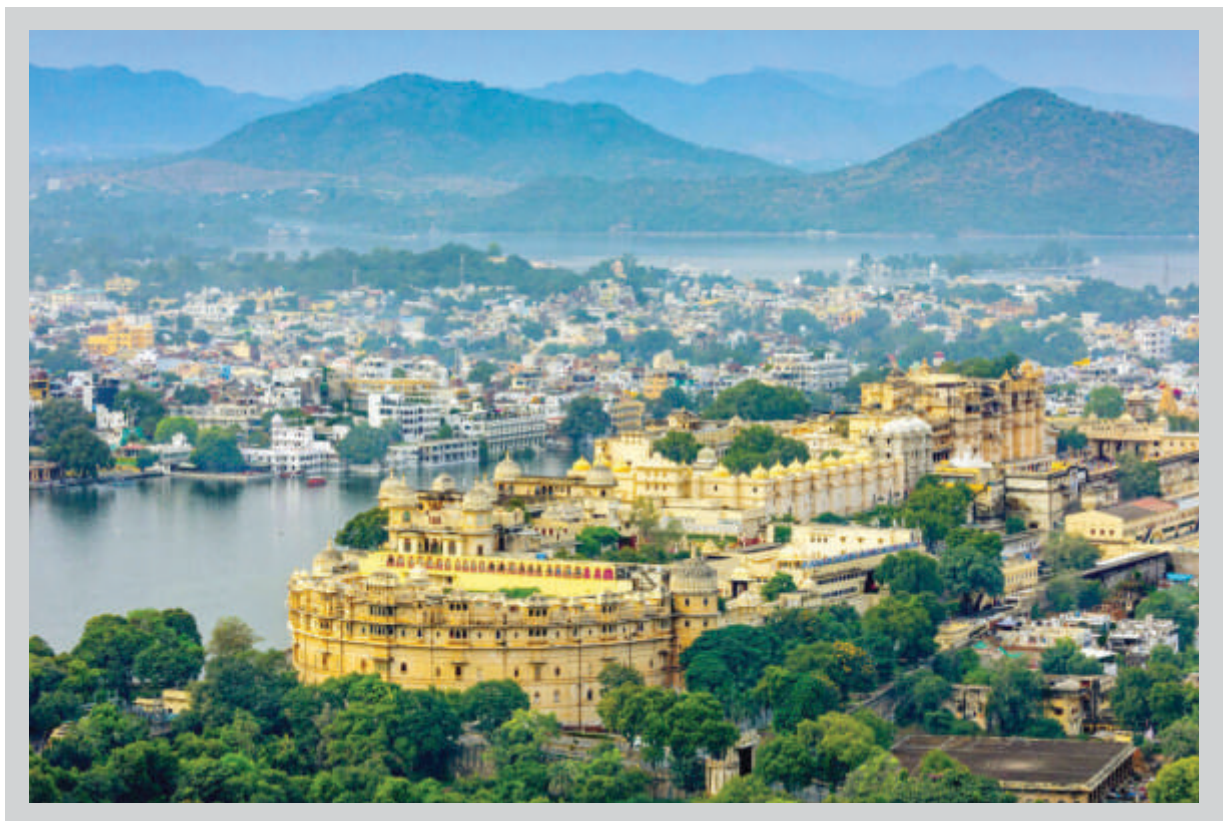

I am pleased to note that Jodhpur Customs has performed very well on all fronts despite COVID 19 Pandemic. It made the biggest single day airport Gold seizure of 32 Kg valued at Rs. 16 Crore in Financial Year i.e. 2020-2021. I am also happy to learn that Jodhpur Customs has earned praise from the Trade for its proactive approach in Trade facilitation. It has also contributed to social cause by carrying out excellent work under Swachhata Projects.

I extend my greetings and best wishes to all the officers and staff of Jodhpur Customs on the occasion of the publication of its year book. I am sure they would continue doing good work in Trade Facilitation and Preventive Functions.

(O.P. Dadhich)

UMAID BHAWAN PALACE, JODHPUR

CITY PALACE UDAIPUR

CHIEF COMMISSIONER

CGST & Central Excise
Jaipur Zone, Jaipur

Message

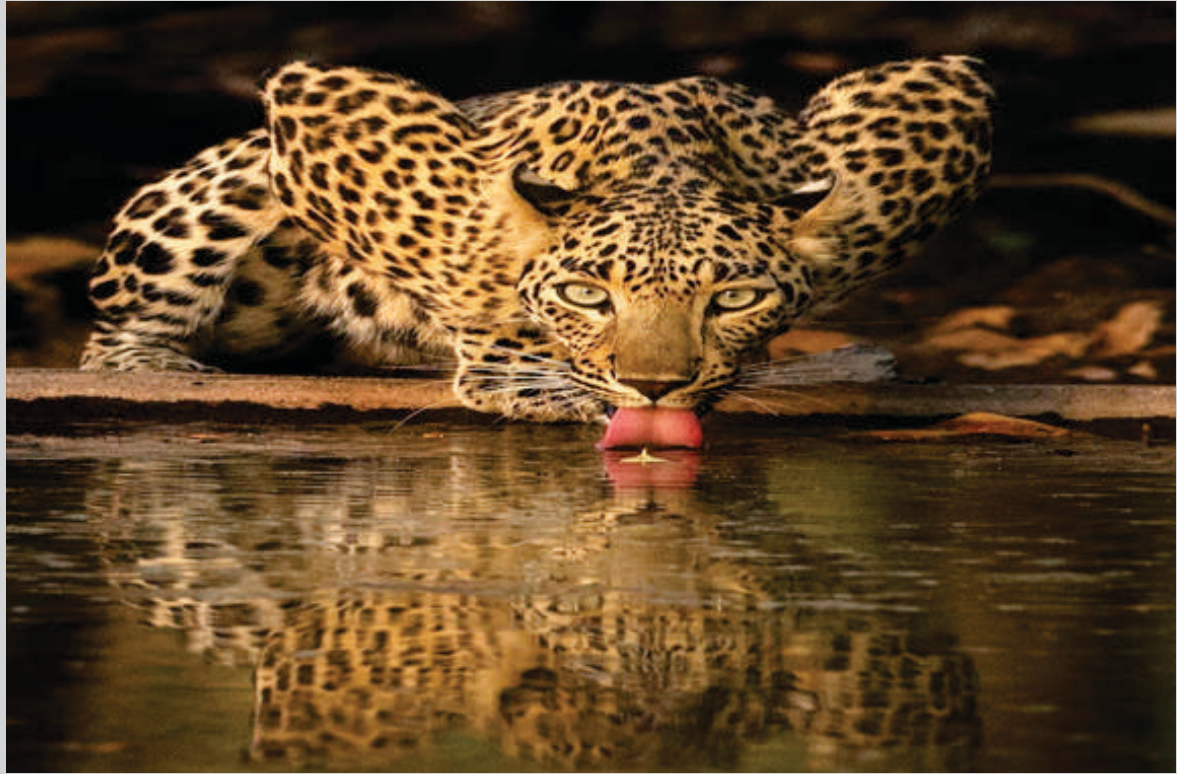

CGST & Central Excise Jaipur Zone, Jaipur and Jodhpur Customs Commissionerate have always worked together to facilitate genuine trade and to implement various initiatives launched by CBIC from time to time. At the same time both the formations are equally alert in tackling attempt of duty evasion and taking strict action against deviant trade. The large number of cases booked and seizures made bear testimony for the same.

I am happy to note that Jodhpur Customs is publishing its first annual Year Book. I would like to congratulate its officers and staff for their determination, dedication and sincerity, which have become their hall mark. It is pleasure to place on record the fact that Jodhpur Customs has performed very well on revenue collection front as well as on Preventive front, Jodhpur Customs effected one of the biggest gold seizures in baggage at Jaipur International Airport in last financial year. Jodhpur Customs has done excellent work in key areas and as a frontier preventive formation on Indo-Pak Border.

The publication of a Year Book will help to reflect the significant contribution and serve as an inspiration for future endeavors. I also hope that Jodhpur Customs will continue to strive hard in the implementation of Customs policies. I extend my greetings and best wishes to all the officers and staff of Jodhpur Customs on the occasion of the publication of its year Book.

5/8/2021
(Pramod Kumar Singh)

LEOPARD SAFARI, JHALANA, JAIPUR

GHANA NATIONAL PARK, KEOLADEO BHARATPUR

CHIEF COMMISSIONER

Customs (Prev.)
Delhi Zone

Message

With a mandate for detecting offences under Customs Law, Jodhpur Customs Preventive Commissionerate performs in areas of anti-smuggling and commercial frauds in Rajasthan. The economic activity of the nation needs to be sanitized from unscrupulous activities detrimental to the security and prosperity of the nation. Genuine concerns of all are to be addressed in a manner that the citizens of the country benefit and contribute to the growth of the nation. It is an onerous task which public servants are required to deliver.

I am happy; the Commissionerate has endeavored to bring out a publication featuring major activities undertaken during the year 2020-21. I congratulate the commissioner of customs and other senior officers and staff of the Commissionerate for this.

We hope that the Jodhpur Customs Preventive Commissionerate will bring laurels for the department in the year 2021-22.

(Surjit Bhujabal)

J A I P U R

THE PINK CITY

Capital city of Rajasthan is named after its founder Sawai Jai Singh II, the Raja of Amber. Established in 1727, it was designed and built on the principles of Vastu Shastra by renowned architect Vidyadhar Bhattacharya. It rises majestically against the backdrop of the forts of Nahargarh, Jaigarh and Garh Ganesh Temple.

To welcome Prince of Wales 1876, Maharaja Ram Singh painted the city in ochre colour which was a wonderful sight to behold and city got to be known as Pink City.

Jaipur is famous internationally for the forts and rich heritage, for the biggest observatory, the biggest canon and also for gems, semi-precious and precious stones, Meenakari and Thewa jewellery.

Jaipur was awarded the “World Heritage City” Certificate by Director General of UNESCO on 5th February, 2020.

COMMISSIONER
Customs (Prev.) Jodhpur

Message

Covid-19 pandemic posed a new challenge to the department to keep the taxation machinery running while at the same time facilitating the genuine taxpayers. I am happy to note that all the officers worked tirelessly from home during the lockdown period also with the help of the IT platforms.

It further gives me immense pleasure to see how the Department has transformed itself from being mainly a tax enforcement agency to a tax payer facilitating organization, with equal emphasis on the expeditious disposal of grievances.

This Year Book is representative of our department's collective ability, perseverance and dedication to public service and protecting the economic frontiers. I cannot express in words the sheer grit and determination our officers displayed when they seized 32 kgs of gold worth INR 16 crores on 3.7.2020 from the passengers of two chartered flights coming from UAE and Saudi Arabia. This was the biggest single day gold seizure at Airport despite restriction on International flights due to COVID19 pandemic.

I am particularly happy to mention that the officers have excelled not only in official work but also in fulfilling social responsibilities.

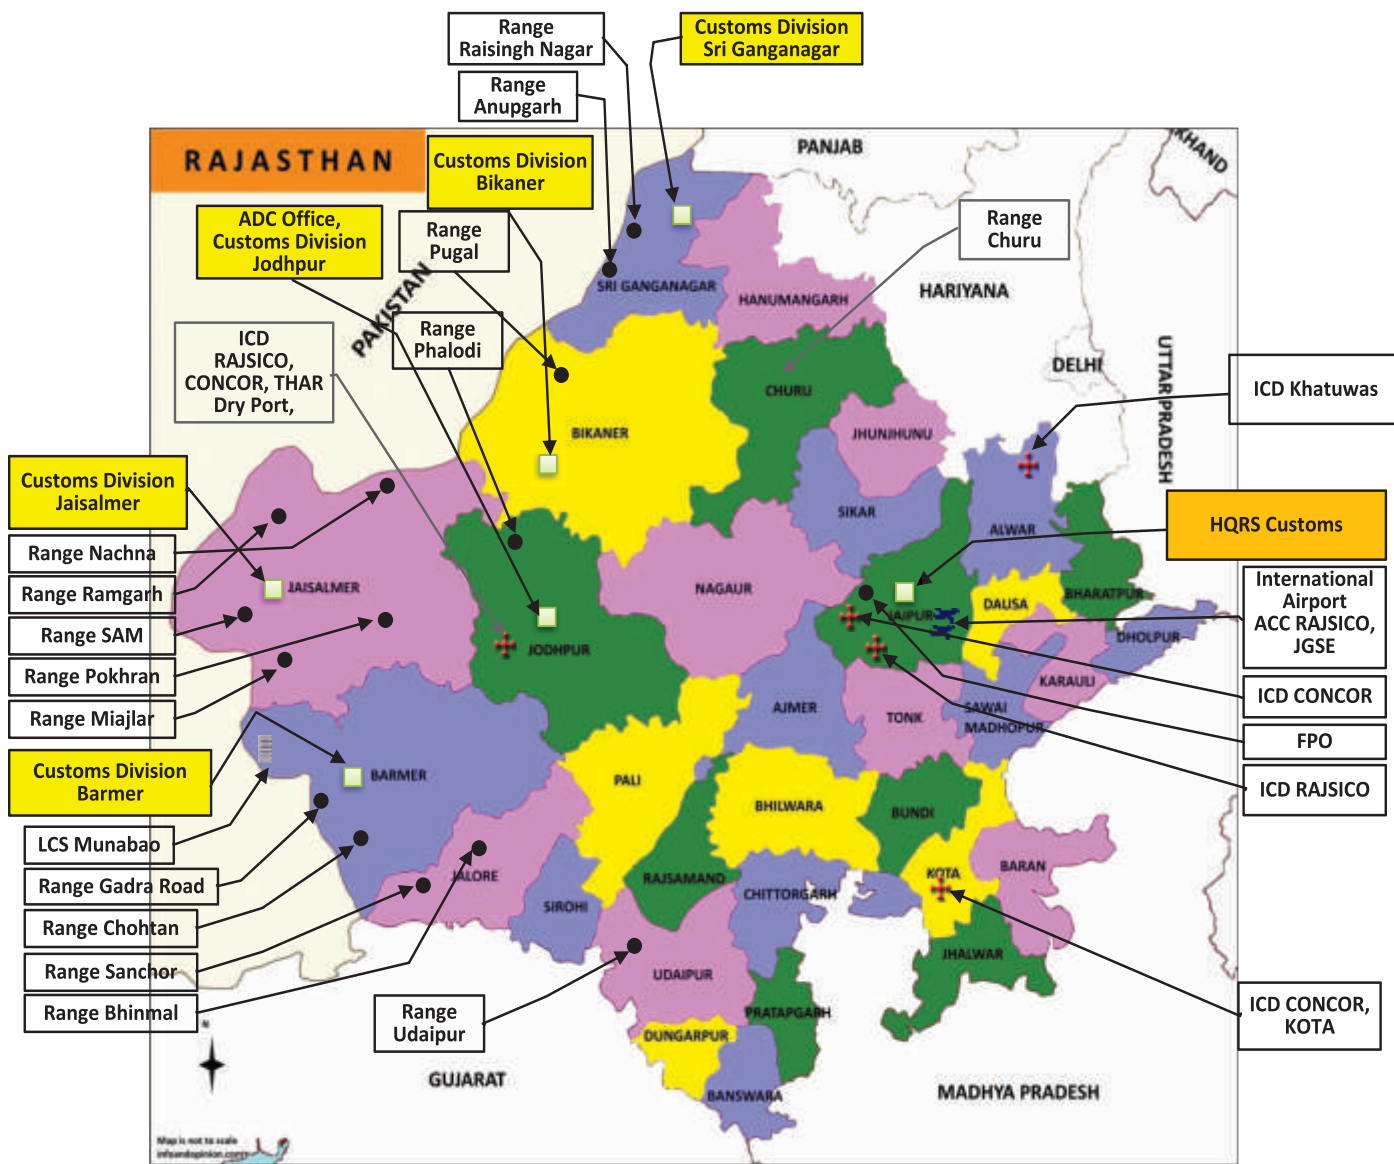

The contribution of the officers is praiseworthy in the fields of trade facilitation, enforcement activities and promoting ease of doing business.

I would also like to pay my respects to the officials who have lost their lives during the year.

I extend my whole hearted wishes for a better future for all the officials in the days to come.

(Rahul Nangare)

Formation Map of Customs Commissionerate (Prev.), Jodhpur

Customs Commissionerate (Preventive), Jodhpur was set up in the year 1997 with Shri V.K. Jain (IRS) as its first Commissioner. The jurisdiction of the Commissionerate extends over the entire state of Rajasthan covering a geographical area of 3.42 Lacs Sq. Kms. It has 1037 Kms long international border with Pakistan. The Commissionerate has seized large quantity of smuggled Gold, Drugs and even arms and ammunitions from the International border, Airport, ICDs and Foreign Post Office in the state.

Besides Preventive work, the Commissionerate has all kinds of access and facilitation channels through various Customs formation viz., ICDs, International Airport, Land Customs Station at Munabao, Air Cargo Complex, Gems and Jewellery complex, SEZs, Foreign Post Office.

Commissionerate Headquarters operate from New Central Revenue Building in Jaipur. At Jodhpur the office of the Additional Commissioner operates from Kuchaman Bungalow, a Heritage building owned by Customs and of which each Customs officer is proud of.

KUCHAMAN BUNGALOW

(Office of Jodhpur Customs)

The Building (known as Kuchaman Bungalow) was built sometimes in the early 19th century by Maharaja Pratap Singh. He gave this Bungalow to his daughter at the time of her marriage to Thakur Shivdan Singh of Bera. Her daughter was married to Thakur Harisingh of Kuchaman. Kuchaman was one of the most prominent Thikana of Marwar located in the state of Jodhpur. Later this Bungalow was inherited by Thakur Harisingh's younger brother Raja Pratap Singh of Kuchaman, who gave this building on rent to Department on 01.01.1959.

Later the Department requested the State Govt. to acquire the building and the State of Rajasthan issued a notification under Rajasthan Land Acquisition Act on 30.04.1988 for acquiring the Kuchaman Bungalow which was purchased by the Customs.

The Office of Additional Commissioner in Jodhpur was created on 30.1.1989 as the Western borders were porous and attracted lots of smugglers which led to an increase in the incidents of smuggling and illegal narcotics/drug trafficking. The setting up of five Customs Divisions, one each at Jodhpur, Jaisalmer, Bikaner, Sriganganagar and Barmer with preventive check posts being upgraded to Range offices strengthened the formation and proved to be a deterrent to the illegal activities.

Jodhpur Customs Division has a proud history of seizures of 62 Kgs of Heroin in Aug. 1990 and 262 Gold Biscuits in June 1992. The borders did not have fencing at that time and even strength of BSF was much less. Still the Customs officers kept surveillance and were vigilant which enabled them to lay their hands on both Narcotics and Gold in that era when there were limited ways of communication and transportation available to them.

Jodhpur has three functional ICDs with CONCOR, Thar Dry Port and RAJSICO as its Custodians. The main items exported from this ICD are Handicrafts, Wooden Furniture and Gaur Gum etc.

In F.Y. 2020-21 CONCOR Jodhpur, Thar Dry port, Jodhpur and RAJSICO Jodhpur have handled approx. 44000, 27000 and 8600 containers of Import/Export respectively.

Customs has a Division office in Bikaner and Range offices at Churu and Pugal. As per intelligence inputs, smugglers have increased their activities in areas under Bikaner Division. Accordingly, the formations there need strengthening with more manpower and resources.

KHABA FORT JAISALMER

Once, Khaba Fort was the Sarai Fort (fort at the frontier). The traders who entered Rajasthan via the Silk Route trade stayed inside this fort for a night. Only after they paid taxes they were given the permission to go ahead for trade.

Jaisalmer straddles its border with Pakistan. For effective monitoring / prevention of smuggling of gold, illegal trafficking of drugs, arms and ammunitions and foreign nationals, Customs has a Division Office at Jaisalmer with its Range Offices at Nachna, Ramgarh, Sam, Pokhran and Miazlar.

In earlier years there was no fencing on Indo Pak border and smugglers took advantage of the vast sand dunes alongside miles of open boarder to smuggle prohibited items. After fencing and strengthening of BSF at border, the smuggling activities have reduced significantly.

HINDUMALKOT BORDER

The Hindumalkot border situated in the town of Sri Ganganagar separates India and Pakistan. Named in honour of Hindumal, the Diwan of Bikaner, the border is one of the foremost tourist attractions of the city. The border is located at a distance of 25 kms from Sri Ganganagar and is open to the public between 10.00 am and 5.30 am every day. Earlier when there was no fencing on Indo Pak Boarder there were incidences of smuggling in the area, but after fencing and strict vigil by Customs and BSF the seizure cases are almost nil.

Sri Ganganagar is the northern-most city of Rajasthan and is located near the border of the state of Punjab. It also shares the international border with Pakistan. Customs has Division office in Sri Ganganagar and Range offices at Raisingh Nagar and Anupgarh.

Sri Ganganagar area have become sensitive for smuggling in recent times. The Customs has accordingly, increased its presence in Sri Ganganagar. Anupgarh Range, which has been functioning with addidtional charge from Sri Ganganagar is being reactivated by posting separate officers there.

THAR LINK EXPRESS

Barmer, situated in south-west Rajasthan, shares its borders with Sindh in Pakistan has a Customs Division Office. LCS Munnabao and four Ranges at Gadra Road, Chohtan, Sanchor and Bhinmal are under Barmer Division. Sanchor Customs had its biggest seizure of 490 Gold Biscuits in February 1991.

LCS Munabao traces its history to pre-independence. It is the second active rail connection between the two nations. The Thar Express that used to connect Rajasthan in India with Sindh in Pakistan was stopped after the 1965 Indo-Pakistan war. Since 2006 a train service has been running once a week between Bhagat ki Kothi near Jodhpur and Karachi, Pakistan, which passes through Munabao on India side, and Khokhrapar on Pakistan side. The services have again been suspended since August 2019.

Munabao is 125 kms from Barmer and has extremes of temperature. The customs officers from various units of Commissionerate travel to perform their duties at LCS Munabao. There had been recent cases of seizure of Gold and Fake Indian Currencies just before the train services were suspended.

PICHHOLA LAKE

Customs has Export Promotion Circle and a Range office at Udaipur. The Range office looks after the export and import of the seven districts namely Bhilwara, Chittorgarh, Rajsamand, Udaipur, Dugarpur, Banswara and Pratapgarh. Marble, Granite, Textiles are main items which are exported.

There are many 100% Export Oriented Units under the jurisdiction of this office.

HANGING BRIDGE AT CHAMBAL KOTA

Kota is famous for the Kota stone. There is ICD Concor at Kota from where the exports of Kota stone, Marble and Granite takes place. The main items exported from ICD Kota are Kota Stone and Granite. In the F.Y. 2020-21 this ICD handled 5370 containers of Import/Export

ICD CONCOR at Kathuwas is located at Dedicated Freight Corridore (DFC) near Neemrana. Its strategic location fulfills the Import/Export needs of the units located at Neemrana, Bhiwadi, Shajhapur, Behror and Rewari industrial areas and specially of Japanese Industrial Zone at Neemrana. The major Importer/Exporter are M/s. Honda Cars India Ltd., Denso Haryana Ltd., Hero Motor Corp Limited, etc. In the Financial Year 2020-21 this ICD handled appx. 27000 containers of Import/Export.

Import and Export :

The financial year 2020-21 was very difficult for everyone including trade and industry which were hit badly due to COVID-19 Pandemic. Despite all this the Commissionerate managed to collect total Revenue of approx. Rs. 2281 Crore which was about 87% of Revenue collected in previous year. The highest revenue earning commodities in the state of Rajasthan are Solar Module, Gas compressor and Parts of Air Conditioners and Scrap. Our top Tax payers are Havells India Limited, Daikin Airconditioning India Pvt. Ltd., Adani Green Energy Limited, Azure Power Forty Three Pvt. Ltd., Eden Renewable Cite Pvt. Ltd.

Year-wise Comparison of Volume of Export :

This pandemic can be seen as a blessing in disguise for the exports which increased by 30.43% and resulted in enhanced earning of foreign exchange for the country.

F.Y. 2019-20		F.Y. 2020-21

2020-21	13118.31	57508	765.18	1515.8
% Inc./Dec.	-11.36	(+) 8.37	(-) 14.96	(-) 12.68

Implementation of Faceless Assessment :

Faceless Assessment has been started at the three ports in this Commissionerate.

1. ICD CONCOR Jaipur, for Group 2G (39)
2. ICD Kathuwas, Alwar for Groups 5 (84) & 5B (86-92)
3. ACC Jaipur for Groups 3A (71)

All the sites are active and the daily target is being closely monitored, new officers are being trained for effective implementation of Faceless assessment. Genuine queries are being made by the assessing FAGs.

Facilitation :

The Commissionerate continued its commitment to Trade Facilitation through regular interactions with Trade to resolve issues faced by them. During COVID Lockdown, the Commissionerate took upon itself to assist the trade by even intervening with State Govt officers to facilitate movement of export cargo. Video Conferencing was used to conduct regular meetings like PTFC/CCFC. The Commissionerate did not hesitate in taking up and helping resolve issues even those which did not strictly fell in its domain.

Refunds :

Expeditious processing of Refunds due is also taken as Trade Facilitation measure. Strict watch on pendency of refunds were kept leading to almost nil pendency of refunds. Drawback pendency was brought down to minimum through proactively sending list of Shipping Bills for which queries were pending from Trade.

Adjudication :

Adjudication is an important part of Commissionerate work as a first stage of dispute resolution process. Expeditious adjudication helps to realise revenue for the government and also brings certainty to trade. The Commissionerate focused on expeditious adjudication of all pending cases which resulted in reduction of pendency of adjudication from 186 cases to 45 cases during the year. This was achieved despite 85 new cases during the year. The average pendency of adjudication was reduced to just 3.2 months.

Arrear Recovery :

The Commissionerate far exceeded its target of arrear recovery of INR 12.66 Cr by recovering INR 41.85 Cr which is 331% above the target during the year. This was through the pursuing trade to deposit even the disputed amounts.

Disposal :

The Commissionerate exceeded the target of Rs. 17.16 crores by 132% and disposed goods including Gold and Currency worth Rs. 22.59 during the year.

Anti-Smuggling :

Even during the pandemic and amidst lockdown the Commissionerate kept its strong focus on Anti-Smuggling/ preventive work. The smugglers who thought of exploiting difficulty in physical checking due to pandemic were proved wrong by our vigilant officers. In the biggest single day gold seizure at Airport 32 kgs of gold worth Rs 16 Cr was seized on

3rd July 2020 from the passengers of two chartered flights coming from UAE and Saudi Arabia.

The Hon'ble Finance Minister appreciated the performance of the officers in her tweet. The Hon'ble Chairman in his newsletter dated 06.07.2020 appreciated the officers for their rich haul, zeal and commitment.

Investigations were carried out by Customs Preventive against several Export Oriented Units of marble and granite. Demands for customs duty involving INR 93.68 crores have so far been raised.

DEFENCE COOPERATION

There was significant increase in cooperation between Customs and Defence Forces during the year. While defence forces helped Customs in long pending disposal of Hazardous cargo including war material, the Customs facilitated and smoothly cleared non-scheduled flights of foreign Army and Airforce at various Air Force Stations at the request of Defence Ministry.

Disposal of Hazardous Cargo :

Old consignments of used/unused war material/scrap and bomb shells, empty cartridges/mortar shells imported during 2004 to 2014 at ICD CONCOR, Jaipur and Jodhpur have been posing grave risk to life and property of people at and near these ICDs. These were escorted to Central Ammunition Depot, Pulgaon, Maharashtra by our officers as per guidelines/SOP issued by Ministry of Defence. This herculean task was made possible by excellent support of Defence Ministry and Police Forces of three concerned States through which the hazardous cargo had to pass to reach its destination for neutralization/disposal.

Clearance of Defence Flights :

Despite acute shortage of staff, this Commissionerate facilitated and smoothly cleared non-scheduled flights of foreign Army and Airforce at Bikaner, and Jodhpur Air Force Stations for following Joint operations with Indian army/air force.

Indo-French Airforce joint operation named "Desert Knight-21" during 20th to 23rd January, 2021 conducted at Airforce Station, Jodhpur. About 70 pax alongwith their baggage, arms and stores including 4 Rafafs fighter planes, one MTTR and two C-17 aircrafts were cleared by officers of Customs deputed from Jaipur and Jodhpur.

Indo-US Army joint operation "YUDDHABHYAS-2021" during Feb, 2021 at Mahajan (Bikaner). 150 personnels of US Army alongwith very huge quantity of arms, ammunitions and military stores including vehicles were cleared by the officers of Customs deputed from Jaipur, Bikaner and Sriganganagar.

Tree Plantation at Kuchaman Bungalow, Jodhpur by Shri Surjit Bhujabal, Chief Commissioner Customs Preventive Zone, Delhi with IG, BSF in celebration of Azadi ka Amrit Mahotsav

AZADI KA AMRIT MAHOTSAV

Azadi ka Amrit Mahotsav is a 75-week festival to commemorate 75 years of India's Independence. The idea is to educate our youth about our great heroes who sacrificed their lives for attainment of Poorna Swaraj. A way to remember and celebrate the spirit of our freedom fighters, their supreme sacrifices and their ideals. A number of activities were planned as a part of AKAM.

Chief Commissioner, Customs Preventive Zone, Delhi during his visit to Jodhpur planted trees in the campus of Kuchaman Bungalow alongwith IG BSF and officers and staff of Customs (Preventive) Jodhpur.

The officers participated in the Blood donation camp organized by CGST Jaipur Zone. Officers of ICD Concor Kanakpura and Air Cargo celebrated by discussing and recalling the sacrifices made by our great leaders and freedom fighters for which we shall remain indebted.

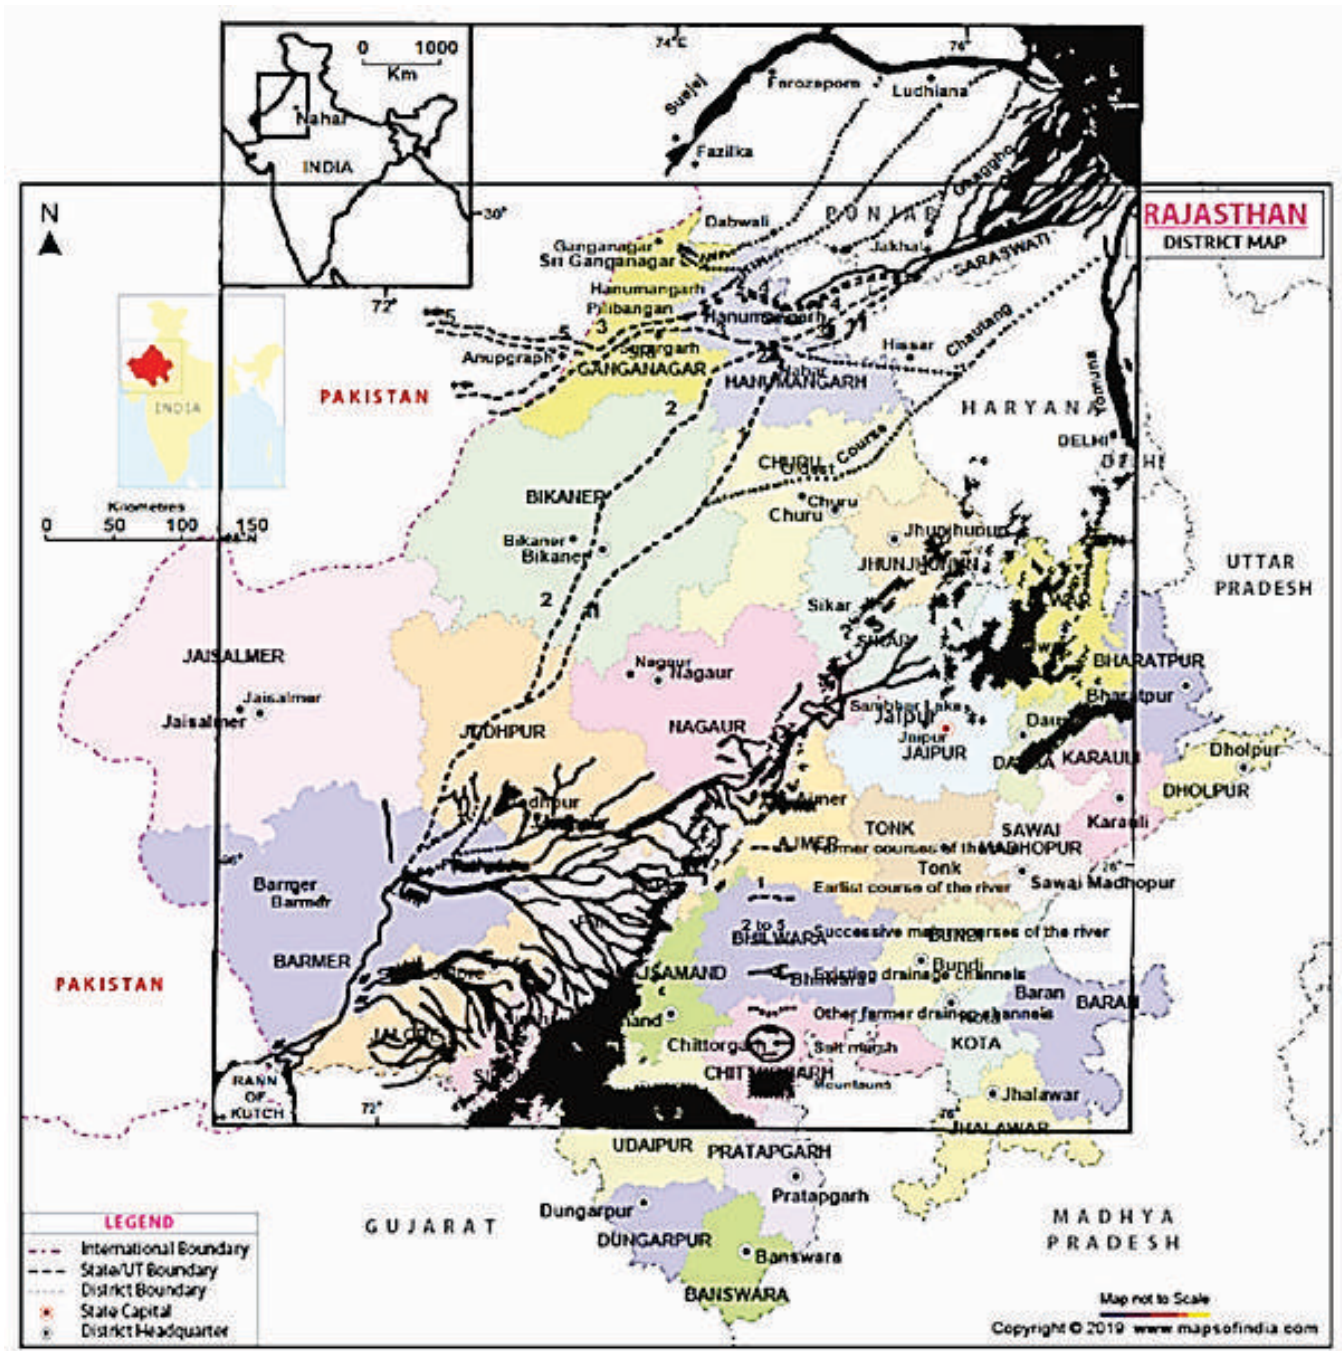

SWACHHTA ACTION PLAN

The Commissionerate in its commitment to Swachh Bharat mission has adopted the Government School at Meenawala, Jaipur and got the school premises cleaned & renovated the toilets as the cleanliness of school was not up to the mark and toilets were also in very bad condition

Under another project four Government schools located in remote villages of Jaisalmer district in western Rajasthan have been chosen for repair and maintenance of Toilets. Efforts are being made to finalize the second project also. Due to lockdown/pandemic the projects have not started yet.

The Chief Commissioner has inspired the Commissionerate to plan its new Swachhta Projects on the basis of a Theme instead of on random basis as was being done till now. Accordingly, the Commissionerate is proposing the following Theme Based Swachhta Projects for the year 2021-22

RETRACING SARASWATI RIVER

It is believed that the ancient Vedic river existed in Rajasthan in and around the districts of Jaisalmer, Barmer, Hanumangarh, Ganganagar and Bikaner.

In a symbolic effort to retrace the Saraswati River, this Commissionerate will be undertaking Swachhta Projects near Bikaner where the Saraswati used to flow once.

MARWARI (MALANI) HORSE

Malani (Now Barmer) - The land of revered Saint and then local ruler Rao Mallinath Ji is known for great adversity in diversity. Being part of the Thar Desert, it hosts a variety of flora & fauna, which range from xerophytes to world known rare Horse breed 'Malani' (Marwari).

The Marwari horses signify the Valour, Tradition and Adoptability, the values which the Indian Customs Cherish.

Customs' endeavour would be to extend the green cover by Tree Plantation, Local street Lighting, providing basic facilities to Government school etc. under swachhta programme in Malani.

KHABA FORT

The Khaba fort dates back to the 13th Century AD. It was a Customs Check post during the ancient days. It was a sarai for the traders who entered Rajasthan via the Silk Route and stayed overnight. It was only after they paid the taxes they were permitted to go to trade.

Though the Fort is in ruins now, one can still find some beautiful walls and a few lattice windows. Inside the fort, there is a staircase that leads to an underground hallway. There is a museum in the fort which is loaded with ancient vestiges and a few age-old rocks.

ASI is restoring the fort. Customs is working in the direction to restore it to its former glory and will initiate steps to beautify the area and upliftment of the villages in and around under Swachhta Projects

PRECAUTIONS TAKEN FOR COVID-19

- Thermal scanning and hand sanitization for officers/staff and visitors have been set up at all the offices of the customs offices.
- E-Office has been implemented to reduce physical movement of files.
- All Personal Hearings being conducted through Video Conference.
- Visitors were encouraged to have virtual meeting instead of physical meeting.
- Sanitizers and Masks were provided to Officers/staff.
- PPE kits were provided to officers posted at Airport/Ports.
- COVID camps were organized where staff/persons from trade were tested.
- Six (6) Oxygen Concentrators were received from CCPU, Delhi, which were Distributed to the Divisional offices of the Commissionerate and two (2) Oxygen Concentrators were purchased by this office.
- Two Vaccination camps were organized at ICD Rajsico and SEZ Sitapura, Jaipur where staff and their family members and other concerned persons were vaccinated.

RENOVATION OF RESIDENTIAL QUARTERS

Prior to renovation

After Renovation

INFRASTRUCTURE PROJECTS

There are 55 Residential Quarters in the precinct of the building for the officers and staff. These quarters are preferably allotted for the officers and staff posted in the Customs as well as in CGST Formation, Jodhpur. These quarters demanded repair, maintenance and renovations. As a part of Human Resource Management in order to provide better residential facilities to our officers the renovation of the Government accommodation was taken under the infrastructure projects necessary approvals were taken from DGHRD(I&W), Delhi.

The details of the quarters are as under:-

1.	TYPE –I	:	06
2.	TYPE –II	:	17
3.	TYPE –III	:	29
4.	TYPE –IV	:	02
5.	TYPE –V	:	01
